

Benefits of NSALG

NSALG aims to:

PROTECT

PROMOTE

PRESERVE

Allotments and allotment gardening for this and future generations

Benefits and Services

Quarterly magazine

Allotment and Leisure Gardener magazine is a quarterly, members only publication packed with allotment news from around the UK; member's letters and a wide variety of topical articles. We welcome reader's articles and letters for publication

Published end of January, April, July and October

Insurance

Specific allotment insurance cover is available through Shield/Vantage Insurance for affiliated members under the Society's Insurance Scheme. Contact Vantage on: 01277 243054
Specialist insurance includes cover for:
building and contents; plotholder's sheds and greenhouses, public and employers liability insurance

Seed scheme from **KINGS** £5 off your first order

- Quality vegetable seeds and fruit plants between a third and a half of high street prices
- Further discounts of up to 22.5% for association buyers
- Wide range of choice of over 500 flowers and collections—traditional favourites as well as modern F1 varieties

A percentage of every pound spent within the scheme goes to fund NSALG in spreading the allotment message—contact Kings on 01376 570000

Information, advice and guidance

NSALG provides a free one-stop advice shop to all members and employs a Legal Advisor to answer any questions on the following:

- Self management schemes
- Duty to provide allotments
- Rents and leases
- Tenancy agreements and landlord issues plus much more

Information regarding other subjects available on request include: preparation of leases and agreements; advice available in connection with all horticultural and gardening matters; and interpretation of legislation
